

## Stallion Service Contract

This contract certifies \_\_\_\_\_, hereafter referred to as Mare Owner, has engaged in one service to **Orion of Endymion Farms** for the mare \_\_\_\_\_, Breed, Registration # \_\_\_\_\_, for the \_\_\_\_\_ breeding season at a fee of **\$1,500.00 (USD)**.

1. A non-refundable booking fee of **\$500** is payable with this contract and the entire balance plus all unpaid expenses (including shipping charges) will be payable prior to shipment of semen.
2. The Mare Owner shall agree that the mare offered for breeding shall be in sound breeding condition and free from infection or disease. It is the Mare Owner's responsibility to verify health and breeding soundness of the mare. It is further agreed that should the above-named mare die prior to foaling, the Mare Owner may substitute another mare, to be used in the following season only, if it is agreed to by both the Mare Owner and Breeder. Pregnancy exam must be completed within 30 days of insemination.
3. Mare Owner agrees to assume responsibility for all facets of breeding the mare and agrees to use all semen provided by this agreement solely to breed the Mare named above. Any attempt to use any portion of any semen shipped to Mare Owner to breed any other mare shall automatically terminate all obligations of this agreement and result in forfeiture of all breeding fees, shipping fees, booking fees and the right to a breeder's certificate.
4. Live Foal Guarantee: Live Foal means the foal shall stand and nurse. It is understood that if the mare proves barren, aborts her foal or if the foal is stillborn, a rebreed will be guaranteed the following year only, providing proper notification is given. Proper notification shall be defined as follows: Written certification by a licensed veterinarian within seven days that the mare has slipped or produced a non-viable foal. Mare Owner certifies that such abortion or death did not result from any act or omission of the Mare Owner. The Re-Breed Fee of **\$250** is due prior to rebreeding for Live Foal Guarantee or if said mare did not get in foal from previous year's breeding efforts. Rebreeds are only available the year immediately following the initial contract breeding season.
5. A Breeders Certificate will only be issued to Mare Owner upon request and upon notification of birth of the foal. Mare Owner shall contact the Breeder no later than August 1 of foaling year.
6. Multiple Foals: The payments provided in paragraph 1 are for one foal for this breeding season from this Mare. Should more than one embryo or foal result from a breeding, Mare Owner shall pay an additional Breeding Fee within 60 days of confirmed foal for each additional embryo or foal. No breeding certificate for any foal will be issued without additional payment.
